## GENERAL LABORER / APPRENTICE

---

This full-time position is meant for someone who is anxious to learn, looking to make a career in the construction industry, and is motivated to advance their career from a construction laborer to a lead carpenter. With hard work and initiative, it is possible to be working in a lead carpenter role with lead carpentry wages within 2-3 years. We require a great attitude, a team mentality, and personal initiative to expand your carpentry and business skills. If you are willing to put in the work and time, we will help you rise to the top tier of our company.

### JOB RESPONSIBILITIES

- Construction/Carpentry Labor
- Running Errands
- Hauling Trailers

### ABOUT US

We provide remodel design, custom cabinetry, and remodeling services (specializing in kitchens, baths, basements, and additions). Our mission to our clients is to exhibit honesty, integrity, and excellence in all that we do. We seek to continually improve our ability to meet their needs and exceed their expectations at every opportunity. Our mission to our team members is to provide a work environment that treats you fairly, with respect and dignity, thereby allowing you to give your best effort to your work. Accomplishing our mission will allow us to be a successful company, staffed with successful individuals, conducting business with happy and loyal customers.
